

User Stories

As a user I should be able to

- start a game
- fold
- show
- pay small/ big blind
- check
- call
- cash out
- increase my bet
- end a game
- decide the number of players
- restart
- see how many chips I have

As a dealer I should be able to

- give cards
- show the cards
- check the best hand
- know who's turn it is
- raise the minimum
- give out the money to the winne
- shuffle cards
- keep track of the player's funds
